Store and Post Office Day Journal 1853, 1854 and 1855

On September 10, 1990, Mr. and Mrs. Curtis Conant gave the Heritage Center a leather bound Ledger - Day Journal - for the Larkin Fork Store and Post Office. The ledger was part of the Lewis Machen Estate. See Deed Book Two A.C. No. 173. The community of Larkin Fork is located in the northern part of Paint Rock River Valley in Jackson County.

In preparing the index for this book, we have been aware that the same individuals or families made several purchases during a month's time. Therefore, to avoid excessive duplication, we have tried to eliminate repetition of names. Many of the descendants of the families recorded in this ledger are still residents of Upper Paint Rock Valley in 1991. Many of the names listed in this index do not appear in the 1840 or 1850 census of Jackson County, Alabama.

The charge purchases were made during 1853, 1854 and 1855. The Day Journal has four distinct bookkeeping cycles. The first cycle covers the year 1853. Only two entries are recorded. Those were for July 6 and October 18. The other entries for 1853 must have been in another book. The second cycle starts January 1, 1854 and ends August 30, 1854. Page 1 - 153. The third cycle has a lead entry of "Thomas B. Griffin's Day Book". This cycle

LARKIN FORK, ALABAMA

Store and Post Office Day Journal 1853, 1854 and 1855

starts August 31, 1854 and ends December 30, 1854.

Pages 1 - 93. The last cycle starts January 1, 1855  
and ends September 4, 1855. Pages 1 - 84.

The owner of the store during 1853 and until  
August 30, 1854, appears to have been George Griffin,  
the brother of Thomas B. Griffin. The letters LF in  
the index refer to the Larkin Fork, Alabama Store and  
Post Office Day Journal.
