

Smith's School

Location: S6/T3/R3E

Funds: \$208

School District: 99

1908-1909 H. T. Eubanks, 5 months at \$55

Consolidated with Garth or Trenton. District #99 assigned to Hodge School

It is difficult to search this school since Smith is such a common name and many teachers are named Smith, so searches turn up "Prof. Smith's school" in Aspel or Dutton. The first mention of this school is the December 17, 1908 Progressive Age: "Prof. Eustace has a good school at the Smith school house, a school of about fifty pupils."
