

BOMBER 68

Foreword

We, the 1968 BOMBER staff, hope that this annual will become one of your most prized possessions and that you may look back over the different snapshots and activity pictures and remember the good times spent at B.J.H.S.

In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of 67-68 we shall be content, knowing that we have done the thing we were called upon to do.

This being our first annual for our school in approximately fourteen years, we have found it a difficult task even to touch on the Spirit found here, but we have endeavored to preserve for you many precious memories of the year and hope that our successors will do the same.

Dedication

We, the Ninth Grade Class of nineteen hundred and sixty-eight, dedicate this yearbook to the students of Bryant Junior High School - past, present, and future.

FACULTY

The students that walk these halls will long remember the deeds done by this faculty. Without the help and guidance they have so generously given, we would not be half what we are today . . .

CLASSES

We, the students of Bryant Junior High School, have found the basic foundation for our lives as responsible adults. Without the help and understanding we received in the Elementary grades, we would not have been able to meet the problems of our future. Our wish is that the students of the future will carry out the Bryant tradition and continue for the cause of education.

Dear Friends,

I appreciate all you people coming over to trade with me. I often tell people that I'd have to close up without the people from Bryant and North Sand Mountain. Guess I just ought to move up there.

Come to see me when you can.

Sincerely,

John Swafford
