

PANTHER TALES

1982

- Dedication

We proudly dedicate the 1982 yearbook to Coach Carl Bain. Coach Bain has been at Stevenson High School for eleven years. He has been head coach of the boys' basketball team for the past ten years.

Under the careful coaching of Carl Bain, his teams have been the county champions four times. He has been to the area finals five times and captured the title of area champions three times. Under the leadership of Coach Bain this year's basketball team competed in the state tournament for the third consecutive year. His team placed third in the tournament.

Out of 292 games, Coach Bain has won 207. The best record he has accomplished up to the present is 24-5.

Coach Bain has said that a junior high coach got him interested in coaching. The student body is certainly grateful to this coach. Through his efforts, we have had the privilege of having someone as great as Coach Carl Bain to touch our lives. He has done a great job and there is no doubt that he will have many more successful years.

Coach Bain, we appreciate your inspiration — many thanks from those of us at S.H.S.

— The PANTHER TALES Staff

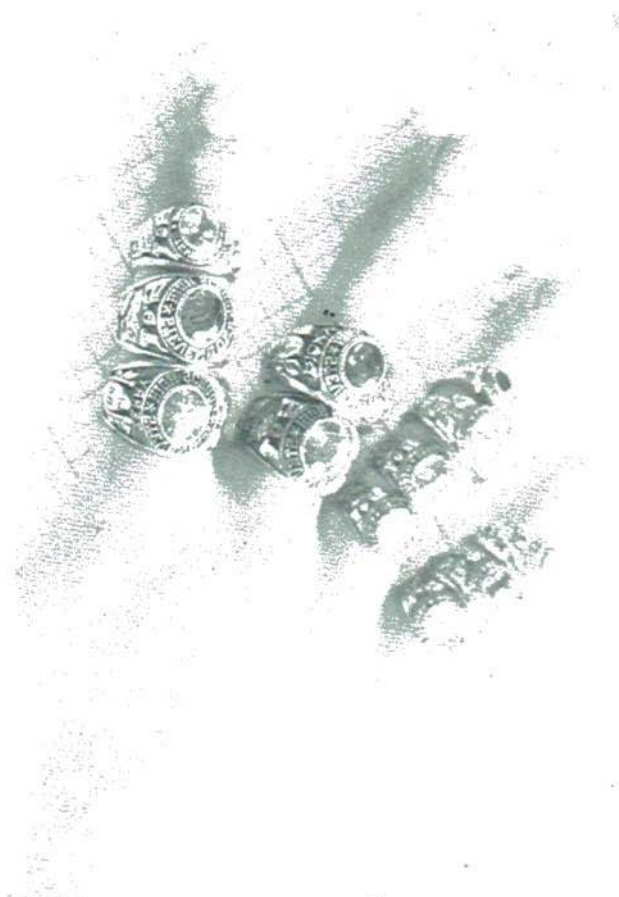

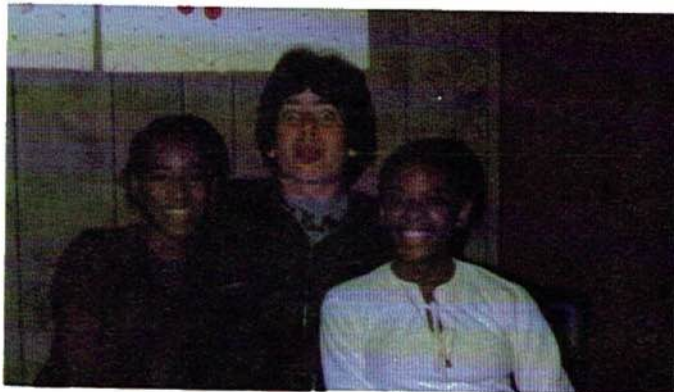

Now I lay me down to study,
I pray the Lord I won't go nutty,
If I should fail to learn this
junk,
I pray the Lord I will not flunk.
But if I do, don't pity me at all,
Just lay my bones down in the
study hall;
Tell my teacher I did my best,
Then pile my books upon my
chest.
Now I lay me down to rest
And pray I'll pass tomorrow's
test.
If I should die before I wake,
That's one less test I'll have to
take.

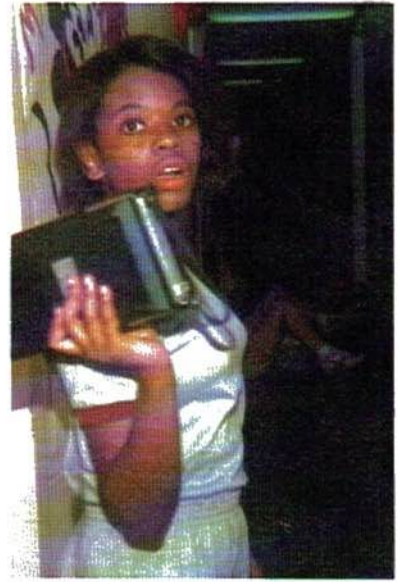

Perhaps it would be a good idea
fantastic as it sounds,
to muffle every telephone,
stop every motor and halt all
activity for an hour someday,
to give people a chance to ponder
on what it's all about,
why they are living and what
they really want.

FLASHBACKS

CLASS PROPHECY

The year is 2002, twenty years since the Class of 1982 set sail from the Harbor of Stevenson High School. The following accounts have been given about some of those departing SHS and also some reports on some of their teachers.

Dr. Crabtree has recently purchased the state of Alabama and has declared himself "King." He rules his loyal subjects with an iron fist.

Casey Bundy, whose sole ambition was to become a housewife, is now married and has 12 children, 3 dogs, 2 cats, 1 pig, and a partridge in a pear tree.

Mr. Hamilton has won national recognition for his recipe for cornbread. He was recently invited to illustrate his technique on the Galloping Gourmet TV show.

Helen Knight recently won the Kentucky Derby on her horse "Cornbread" — a real course horse, Helen.

Mrs. Roden, after a hard days work as "Rawhide" in the senior high building was quoted as saying, "My girle is killing me."

Tim Brownfield has become the new head coach for the Atlanta Hawks.

Mrs. Houston has recently opened a Home for Wayward Cheerleaders. She says that the operation is quite a success. She is having to enlarge the facility because she has more applicants than space.

Karen Romans has opened her modeling studio in New York City. She has also become a TV Celebrity, starring on Sesame Street.

Coach McKinney, newly ordained minister to the moonies, can be seen every full moon driving his congregation to church in his big new church bus.

Jimmy Harris says that he has finally taken Smokey Bear's advice and has stopped smoking pot — in bed.

Mrs. Pace has her own special TV show. She is host of the "Who Done It" Show. She covers such catagories as Who, What When, How, and With Whom.

Billy and Joe Graham are now taking turns being principal at Stevenson High School.

Coach Bass is cooperating with the "Keep Stevenson Beautiful Committee" and has agreed to move to Bridgeport.

Myra Pittman attended the National Police Academy after high school and has been employed as Stevenson's Chief of Police. Judy Traylor is her No. 1 deputy.

CLASS PROPHECY

Karen Boyd, famous hair dresser and stylist, has finally released her formula for beautiful hair. She is reported to have said that "Beer is my secret." She failed to say whether the beer should be used internally or externally.

After 20 years of steady dating, Denise Stewart has announced to her parents that she wants to go somewhere besides church on a date.

Allan Yates is now a five-star general in the Marines. He says he is finally big enough to boss people around.

Juanita Phillips, a widely traveled celebrity, has finally admitted that she is a home-loving girl; and that's where she wants to be — at home, loving.

Betty Arnold and Marsha Hancock are the new librarians for Stevenson High School.

Sharon Dayton is owner and recreational leader at the I C U Nudist Colony in Honolulu. She was overheard to say, "I'm gonna find me a man and get a tan."

Kermit Matthews has just returned from the Merchant Marines where he made his first million — million what? I don't know.

Rita Stevens has started her teaching career at Walkers something another Institute where she is teaching sex education.

Julia Thrasher has taken Mrs. Pace's position at Stevenson High School. Mrs. Pace had to resign to accept a position in Tuscaloosa after her Accounting Class drove her crazy back in 1982.

Pete Guess has finally grown a sideburn after twenty years of cultivation.

Tom Cobb has been inducted into the Basketball Hall of Fame as one of Stevenson's Globe Trotters.

James Blevins has been hospitalized after teaching knife safety to his long-time pal, Freddy Williams.

Lori Malley has signed a 12-month contract with CBS because she has won the Phyllis Diller Look-alike contest. We always knew her hair and legs could get her the job.

Donna Payne has won an award for ten years straight for not saying more than 50 words a year.

David Langford has finally won the Daytona 500 with his little silver Mustang.

Mitchell Coffman is now the official Button Buzzer for the Boston Celtics.

Deneen Phillips has married a minister and they are raising Ten Little Angels.

CLASS PROPHECY

Coach Harding has finally come out from hiding. He went undercover back in 1982, when his wife was brutally mugged while in Tuscaloosa. It is said that Coach was hiding in the back seat of the car.

Rickey Rorex and Missy Houston are still filling up the trenches that they made in the park back during their high school days.

Mr. Woodfin, newly elected mayor of Pisgah, has annexed Pisgah High School into the city. He has fired the principal and he is now serving as principal on a part-time basis.

Helen Knight, making a desperate bid to "get her man" has joined the Royal Canadian Mounties.

Mrs. Protz has taken Howard Cosell's place in sports broadcasting. She has been assigned to cover the boxing jaws matches.

Randy Cunningham has set a new speed record at the H. D. Lee parking lot in his Super Dooper Sports Garbage Truck.

Miss Britton, Miss Phillips, and Mrs. McKee are partners in a candy manufacturing company. They call their confections the Jan-Fran-Katz Candy Bar. They sell their candy to various organizations, especially Beta Clubs, for fund-raising activities.

Greg Barbee, after 20 years of working out with McKinney Weight Program, can lift without straining — 22 pounds.

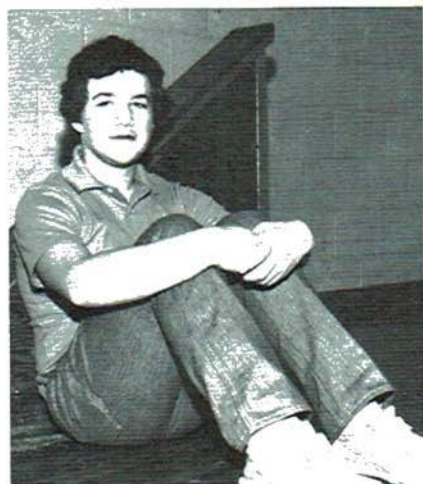

Camille Campbell has just become the new owner of Jackson 'oops' I mean North Jackson Hospital. She provides an annual scholarship to aspiring students who are interested in nursing. The Scholarship is called the Bedpan Award.

Coach Bain has adopted Mitchell Coffman, Tim Brownfield, and Freddy Williams. They are all starring in a new TV series called "My Three Sons." The show is filmed on location in Coach Bain's office and the theme song is "Bring Smoke From Me."

Mrs. Thomas was recently given a speeding ticket in her wheelchair at the home for old Scientists. As I understood it, she was chasing a nurse who had told her that Einstein *was not* alive and well and living in Cuba.

Renee Jackson, formed soul leader of Stevenson High School, is now commander-in-chief of a band of troops from Haiti known as "Dodo's Dirty Dozen."

Jeff Watson has become the new Track Coach at Stevenson High School, replacing Coach Williamson who is now a "Ghost Runner in the Sky."
